7th Annual

West Coast Invitational

Marching Band Competition

Saturday
October 11, 2008

Welcome

We would like to take this time to invite your band to the West Coast Marching Band Invitational at Durant High School on Saturday, October 11, 2008.

The West Coast Marching Band Invitational is an FMBC sanctioned event used to qualify for FMBC State finals.

Durant High School is located in Plant City, Florida only 45 minutes from Busch Gardens and only one hour from Orlando.

The West Coast Marching Band Invitational is a well-managed and organized event that offers a positive experience for you and your students. We anticipate 20 plus bands to register this year so please submit your registration early.

To have each group fairly and consistently judged, some of the best judges in the country have been selected. There is also a non-competitive Rating Only division, whereby a rating is the only trophy awarded. Dinner and lunch packages are offered to all participants at very reasonable prices.

We thank you for considering the West Coast Invitational when scheduling competitions for this year.

2007 Champions

1A~Spoto High School

2A~Wharton High School
